Education

B.S. Sociology, Brigham Young University, 1968
M.A. Sociology, The University of Michigan, 1973
Ph.D. Sociology, The University of Michigan, 1975

Professional Positions

1977-present Lecturer to Professor, Department of Sociology, The University of Michigan (Associate Chair, 1986-1987)

1975-present Assistant Research Scientist to Research Professor, Survey Research Center, Institute for Social Research, The University of Michigan

1983-present Research Affiliate to Research Professor, Population Studies Center, The University of Michigan (Associate Director, 1995-1997; Acting Director, 1997-1998; Director, 2003-)

2005-present Faculty Associate, Center for Chinese Studies, University of Michigan

Special Awards or Honorary Positions

National Science Foundation Fellowship, 1971-1975.

Council Member, Population Section, American Sociological Association, 1982-1986.

Social Sciences and Population Study Section, Division of Research Grants, National Institutes of Health, 1987-1991.

Board of Directors, Population Association of America, 1991-1994.

Secretary-Treasurer and Newsletter Editor, Population Section, American Sociological Association, 1991-1994.

Council Member, Family Section, American Sociological Association, 1991-1994.

Member, Family and Child Well-Being Research Network, National Institute of Child Health and Human Development, 1993-1999.

Council Member, Sociology of Children Section, American Sociological Association, 1995-1998.

Otis Dudley Duncan Book Award for Social Change and the Family in Taiwan, given by the Population Section of the American Sociological Association, 1995.

Goode Distinguished Book Award for Social Change and the Family in Taiwan, given by the Family Section of the American Sociological Association, 1995.

Excellence in Research Award, College of Literature, Science, and the Arts. University of Michigan, 1995.

Population Research Subcommittee, National Institute of Child Health and Human Development, 1996-2000.

Distinguished Career Award, Family Section, American Sociological Association, 2000.

President, Population Association of America, 2001.

MERIT Award, National Institute of Child Health and Human Development, 2001-2011.

Goode Distinguished Book Award for Reading History Sideways, given by the Family Section of the American Sociology Association, 2007.

Thornton, A. and Philipov, D. "Developmental Idealism and Family and Demographic Change in Central and Eastern Europe." Paper to be presented at the Population Association of America Meetings, New Orleans, April 16-19, 2008.

Research Grants

Fertility after the Baby Boom: The Role of Economic Stress, Female Employment, and Education. National Institute of Child Health and Human Development (1975-1976)

Longitudinal Study of Correlates of Fertility: 1962-1977. Co-principal investigator. National Institute of Child Health and Human Development (1975-1980).

Value of Children in the United States. National Institute of Child Health and Human Development (1977)

Intergenerational Consequences of Fertility Behavior. Principal investigator. National Institute of Child Health and Human Development (1979-1984).

Changing Patterns of Marriage and Divorce in the United States. Co-principal investigator. National Institute of Child Health and Human Development (1980-1983)

The Changing Family Network and Fertility in Taiwan. National Institute of Child Health and Human Development (1981-1983).

Family and Institutional Factors in Adolescent Sexuality. Principal investigator. Office of Adolescent Pregnancy Programs (1983-1986).

Social Change, The Family, and Fertility in Taiwan. Principal investigator. National Institute of Child Health and Human Development, Chiang Ching-Kuo Foundation, and Republic of China Committee for Scientific Cooperation with the United States of America (1988-1992).

Economy, Family Change, and Fertility in Nepal. Co-principal investigator. National Institute of Child Health and Human Development and National Science Foundation (1987-1993).

The Causes of Divorce and Divorce Change in Nepal. Co-Investigator. National Institute of Child Health and Human Development (1993-1997).

Influence of Parental Family on Well-Being of Children. Principal Investigator. National Institute of Child Health and Human Development (1993-2000).

Changing Social Contexts and Family Formation. Co-Investigator. National Institute of Child Health and Human Development (1994-1999).

Intergenerational Panel Study of Parents and Children. Principal Investigator. National Institute of Child Health and Human Development (1984-2000).

Intergenerational Effects on Marriage and Cohabitation. Principal Investigator. National Institute of Child Health and Human Development (2000-2003).

Research and Training in Developing Countries. Principal Investigator. Fogarty International Center (2003-2005).

Population Studies Center Infrastructure Grant. Principal Investigator. National Institute of Child Health and Human Development (2003-2011).

Determinants of Marriage and Childbearing Attitudes. Principal Investigator. National Institute of Child Health and Human Development (2001-2011).

Ideational Perspectives on International Family Change. Principal Investigator. Mellon Foundation (2002-2005).

The Effect of College Major on Religiosity. Co-Investigator. John Templeton Foundation (2004-2005)

Measuring Developmental Idealism and Family Life. Principal Investigator. National Institute of Child Health and Human Development (2005-2007).

Training Grants

Social, Science, Training in Population Studies. Principal Investigator. National Institute of Child Health and Human Development (1997-1999; 2003-present).

Training in the Demography and Economics of Aging. Principal Investigator, National Institute on Aging (1997-1999).
